Partner Logo	Partner Description
 <p>COMPUTER OEM TRADING GMBH</p>	<p>For over 40 years, COT Computer OEM Trading GmbH has been a premier provider of printing and AIDC solutions, successfully serving large- and medium-sized companies in nearly all industrial and commercial market sectors. With IT components and customer-specific solutions in logistics and manufacturing, COT supports customers with the integration of thermal transfer printers, mobility, RFID components and mobile workstations.</p> <p>Customized software and interfaces enable connectivity to various ERP systems (i.e. SAP systems). COT is in the position to meet even sophisticated project requirements utilizing its own products. In addition, COT produces individual labels of any size and quantity for various applications.</p> <p>As a specialist in providing complete system solutions, COT completes the product line offering also on-site service, telephone support, carry-in service and spare parts store service.</p>
