

➤ **Partner Presentation**

Partner Logo	Partner Description
	<p>We mobilize SAP! Covity has lived this slogan for over 20 years and delivers sophisticated, flexible apps for all areas in logistics, manufacturing, maintenance, and delivery. The applications, available for various mobile operating systems, are supplemented by SAP add-ons. These allow the distribution, control and management of data for mobile resources (employees, vehicles, etc.).</p> <p>Customers which are using covity solutions working 100% digital and fully integrated into SAP without middleware. With a holistic focus on the logistics chain, we offer consulting, software, and professional hardware from a single source. Although we work increasingly in Germany, Austria, and Switzerland, our solutions are used worldwide by medium-sized and large-scale businesses in a variety of languages.</p>
