

**Partner Presentation**

Partner Logo	Partner Description
	<p>As a sales partner of renowned manufacturers, we develop and implement customized solutions in close cooperation with our customers according to their requirements.</p> <p>Since the foundation of our company, which already dates back 36 years, meeting the needs of our customers as far as computer and network technology are concerned has been our motto.</p> <p>By gradually extending our product range, we have reached the milestone of 1,800 satisfied customers in Bavaria alone.</p> <p>Moving to larger premises in May 2000 marked a further highlight in the development of our company. We have committed ourselves to assisting you with the automation processes in your company, accompanying you throughout the entire process from project planning right up to the installation and product support.</p>
