	<p><a href="#">ID.SYS GmbH</a> as the German authorized distributor of Kathrein Solutions GmbH introduces itself: Since 1994 we have been supplying our partners with products of the Automatic Identification. Over the years we have developed into a leading Auto-ID distributor in Germany.</p> <p>Doing so, we always emphasize the closeness to the customer, as it is only possible if the focus of extremely committed colleagues is not only on sales and growth, but above all on the customer as a partner. Our stock, located near Munich airport, has increased more than six times. For our partners this means the fastest possible availability and the shortest possible response time. Our very powerful technical department not only offers technical support, but also the repair of almost all brands out of our portfolio. All our products have very high quality, whether RFID products, barcode scanners, label printers or other devices in our product portfolio.</p>
