

**Partner Presentation**

Partner Logo	Partner Description
	<p><u>IntelliStride</u> is a distributor of Kathrein RFID products, Kathrein IoT software and a IoT Solutions designer and provider. In addition IntelliStride also provides Kathrein In-Building Solutions in the Asia Pacific region in partnership with Kathrein Solutions GmbH, a worldwide leader in RFID technology.</p> <p>IntelliStride offers innovative IoT solutions in the digitalization of business operations and increase business performances through intelligent devices and applications.</p> <p>The company has a major presence in Singapore and India supported by our network of partners in other Asia Pacific countries. This partnership of Kathrein's global expertise and IntelliStride's local presence in the APAC region brings these value-adds to your business:</p> <ul style="list-style-type: none"> <li>▪ Early and efficient delivery of RFID hardware in the Asia Pacific region</li> <li>▪ Availability of all the required solution components and tools from one source</li> <li>▪ Gives our Asia Pacific customers the most powerful solutions</li> <li>▪ Faster response times for RFID product delivery or support</li> </ul>

Key Sectors	Solutions
<ul style="list-style-type: none"> <li>▪ Automotive</li> <li>▪ Manufacturing</li> <li>▪ Intelligent Transport Systems</li> <li>▪ Retail</li> <li>▪ Healthcare</li> <li>▪ Logistics</li> </ul>	<p><b>End-to-end IoT solutions that give your business the edge</b></p> <p>IntelliStride offers innovative and intelligent IoT solutions in:</p> <ul style="list-style-type: none"> <li>▪ Automotive</li> <li>▪ Asset Track &amp; Trace</li> <li>▪ Intelligent Supply Chain</li> <li>▪ Fleet Management</li> <li>▪ Premises Access Control</li> <li>▪ Employee &amp; Visitor Tracking</li> <li>▪ Library Management</li> <li>▪ Intelligent Transport</li> <li>▪ Toll Plaza Management</li> <li>▪ Multi-Lane-Free-Flow, more</li> </ul> <p>Bringing strong IoT solutions built on RFID technologies that deliver the ROI on IoT investments, our expert solution development teams take complex projects and design innovative solutions overcoming challenges, and give you the data intelligence, improved efficiencies, cost savings, ease of doing operations and much more.</p>
Service Portfolio	Specialist for
<p><b>Seamless implementation and support for your IoT solutions</b></p> <ul style="list-style-type: none"> <li>▪ We offer you a high-quality portfolio of services to support you seamlessly throughout the entire life cycle of your IoT project with strong local presence.</li> <li>▪ We provide you with reliable support to ensure smooth operations with the highest quality standards</li> </ul>	<p><b>Seamless implementation and support for your IoT solutions</b></p> <p>We offer you a high-quality portfolio of services to support you seamlessly throughout the entire life cycle of your IoT project with strong local presence. We provide you with reliable support to ensure smooth operations with the highest quality standards.</p> <div data-bbox="790 1780 1109 1993"> </div> <p>We bring RF expertise on field to ensure the maximum read range in an environment avoiding cross reads and reflections which is a major concern and cause of failure for most RFID projects. We utilize Kathrein IoT device management software and an experienced understanding of the RF field to achieve best results required to meet customer objectives.</p>
