

Partner Presentation

Partner Logo	Partner Description
	<p>At Kinsetsu we are passionate about innovation and emerging technologies. The company was founded with a specific focus on intelligent location awareness and has enjoyed success in the NHS, Defence, Education, Energy and commercial sectors. We take an innovative approach to all customer requirements, blending connectivity and technology layers to achieve better service outcomes.</p> <p>Kinsetsu provides intelligent tracking solutions to help organisations automate and optimise tasks and services. Using sensor-based technologies and digital connectivity we improve workflow, seamlessly, enabling the tracking of hundreds and thousands of assets in real-time and removing reliance on manual processes.</p> <p>We track your equipment, people, fleet or inventory unobtrusively, reducing the time to complete tasks to seconds, simultaneously capturing and validating safety and compliance data and delivering timely alerts to drive organisational productivity. Powerful digital mapping, geofencing and visualisation provides a digital footprint and real-time view enabling you to pinpoint specific assets locally, nationally and globally.</p>

Key Sectors	Solutions
<ul style="list-style-type: none"> ▪ Healthcare ▪ Manufacturing ▪ Education ▪ Defence ▪ Commercial ▪ IoT – Internet of things 	<p>Ktrack</p> <ul style="list-style-type: none"> ▪ Digital mapping and zone identification for movement of critical assets and people in or outside. <p>Kcrew</p> <ul style="list-style-type: none"> ▪ Automates the daily checking process carried out by first responders and field-based engineering and nursing teams. <p>Ktrace</p> <ul style="list-style-type: none"> ▪ Uses powerful digital mapping both internally and externally to take you to your required location or misplaced asset, quickly and effortlessly. <p>Kstop</p> <ul style="list-style-type: none"> ▪ Utilises various ‘Smart’ technologies and automation to provide better management of private passenger transport services.
Service Portfolio	Specialist for
