

Dear customers, suppliers and business partners

Stephanskirchen, 31.08.2020

**Modernisation at the Stephanskirchen location,
Relocation of our company headquarters**

In the middle of this year, we implemented the long-planned modernisation of our Stephanskirchen location and moved into the new, state-of-the-art premises. The newly modernised location now offers us every possibility to further our successful development. With this step, we have also taken the opportunity to relocate our company headquarters to our main location.

For you, as our company's business partner, this change has no direct implications on our business communication. Only our company's address will change. All other data will stay the same and retain its validity. This applies, in particular, to our commercial register number, banking information and VAT ID number.

Your current contact persons remain available to you as before. The work processes and procedures in our daily cooperation, that have been established and agreed upon with you, will continue without any restrictions.

Please use the new company address when preparing official documents from 1 September 2020 as follows:

KATHREIN Solutions GmbH
Kronstaudener Weg 1
83071 Stephanskirchen

Telephone: +49 8036 / 90831 0
Email: iot-info@kathrein-solutions.com

We look forward to continuing our successful and trusting cooperation with you as a valued business partner and are always happy to answer any further questions you may have.

Kind regards,

Thomas Brunner
Managing Director

Daniel Schkalda
Managing Director

Emre Gürbüz
Chief Sales Officer

KATHREIN Solutions GmbH
