Partner Logo	Partner Description
	<p>The <a href="#">SIEVERS-GROUP</a> is a provider of advanced IT solutions in the fields of business software, infrastructure and telecommunications with more than 30 years of experience. As a full managed service provider, the IT architecture company delivers comprehensive solutions that meet all your individual customer needs and streamline your business processes.</p> <p>Our core competencies comprise innovative consulting concepts, managed services and in particular business software solutions – from customer relationship management via business intelligence up to enterprise resource planning. With its IT solution SNC Logistics, the SIEVERS-GROUP has specialized in warehouse management. SNC Logistics, which has been on the market for over 30 years and is constantly being further developed, is now an all-in-one Microsoft Dynamics 365 Business Central integrated solution – no interface is required – while keeping all of Microsoft Dynamics 365 Business Central's functions available. The SIEVERS-GROUP with head office in Osnabrück has four offices in Germany and currently employs around 330 people.</p>
